THE JAPANESE JINKIRSHAS

NATION TRYING TO ABOLISH THE
CUSTOM-OBJECTS TO OLD OR-
DER OF THINGS.

The Japanese are not at all pleased at the prospect that the St. Louis exposition will include a large number of "Jinkirshas" with imported Japanese coolies to draw them. While we regard this Oriental method of transportation with interest and enjoy the novel experience of a ride in one of the little carriages, the Japanese look upon it as one of the evidences of a national disgrace. Instead of seeing in it a picturesque example of their native customs they remember that it is one they are making a good deal of effort to abolish. In their own land the Jinkirshas are regarded as a debased workman and experience has taught the authorities to expect a large per cent of them to prove themselves criminals. The sight of their countrymen doing this class of labor is humiliating to the Japanese merchants here and they declare they

URIBE-URIBE
LAYS DOWN ARMS

SURRENDERS AT LAST TO COLO-
MBIAN GOVERNMENT AND NEAR-
LY ENDS THE REVOLUTION.

PANAMA, October 28.—The revolu-
tionary General, Uribe-Urbe, with ten
cannon, 2500 rifles and 300,000 rounds of
ammunition, has surrendered to Gen-
eral Marjarras at Rio Frio, near Santa
Marta.

The revolutionary forces under Gen-
eral Uribe-Urbe, which were defeated
October 14th at La Cienega, retreated
to Rio Frio and took up positions there.
General Marjarras, with 2000 men, pro-
ceeded against the rebels, from La
Cienega, and engaged the enemy two
days ago. The Government General
succeeded in surrounding the rebels
and forcing them to surrender. General
Castillo was with General Uribe-Urbe.

The news of this attack was received
here by General Perdomo and General
Salazar this morning in a telegram
from Marjarras. Details of the engage-
ments are lacking, but heavy casualties
on both sides are reported. The sur-
render of Uribe-Urbe is said to com-
plete the pacification of the depart-
ments of Magdalena and Bolivar. The
revolutionists now occupy the isthmus
only.

In the flight of October 14th at La
Cienega the revolutionary force con-
sisted of 1000 men.
